National Film & Television School | Diploma - Location Sound Recording
Thames Valley University | BA Hons - Music Technology & Multimedia

I am a lifelong sound enthusiast; with the qualifications, skills and experience to back up my passion. Through extensive work in film and television I have found professional inspiration while collaborating as part of a dedicated team. I have completed a production sound course with the NFTS, which bolstered my experience in location recording and outside broadcast. In recent years my experience has been in media production, shooting, Corporate and Branded Content, narrative Short Films, Feature Films and Television Drama.
