Profile

I am a driven and committed individual who is currently looking for film & TV industry work within the sound department. I am an active team player and am professional when meeting new people. I have worked on short films, advertisements, music promos, mockumentaries, feature-length films & a children's television series. Worked with a range of different microphones such as the Sennheiser MKH8050, Sanken CS-3e and mixers such as the Sound Devices 664 and 633.

I have worked with Sound Mixers such as Gavin Dunn, Dave Ratcliffe, Ryan McMurray & Ed Brooks as well as Boom Operators such as Joe Natrass, Dave Lynch, Matt Atkinson, Chris Devlin, Pat O'Boyle, Lee James.
